Thank you very much, Paul.

I'll follow up internally. We had some personnel changes since launch, so it is possible that earlier orders were not placed. Thanks for the follow up - I wasn't sure if we had provided everything necessary to complete our request.

OCB has received one order from the Venice Beach BID (see attached). It was received on July 18th, and is for supplies in the month of August. The contact person will be receiving a call during the first week of August as to when the order is ready for pickup.

Hi, Paul:

I found out today that our BID is not yet receiving any City supplies, and I'd like to follow up to see if you need anything else from us to change that.

Our original letter (attached) was both mailed and emailed on April 20.

The BID is now incurring additional costs for some of these supplies, so we'd like to resolve this ASAP. I left a message on your voicemail; if you receive this first, you can delete it.

FYI -- Paul Williams is our Clean Team Manager, and Eleni is our Senior Operations Manager (both with Chrysalis.) Steve Heumann is my Venice Beach BID Board Treasurer.

Thanks!

Warmest regards,

Tara

Dear Paul:

Attached please find a request from the new Venice Beach BID. I have cc'd our "clean team" vendor, Chrysalis Enterprises.

I will also send a copy of this letter by US Mail.

Please let me know if I can provide any additional information to facilitate our request.

Warmest regards,  
Tara Devine
